

FIXED JACK SINGLES 2026

4 woods each. The first-named player is responsible for arranging a **marker**.

The jack is placed at the minimum length (23m) on the first end, at the maximum length on the second end, and so on.

The best four bowls at an end score 4,3,2,1, respectively, so there are 10 points per end.

The winner is the first player to 90 points (use the special wooden easel scoreboard).
